

# Volunteer from your couch!

**Back by Popular Demand: Curb-Side Clothing Processing Project** - A Volunteer and Service Hour opportunity to support the SMAC-PTA Clothing Exchange

**Who:** Adults who are interested in volunteering from home or High School/Middle School students who are looking for Service Hours

**What:** Check out 2-4 bags of donated clothing that need to be processed and then returned ready to go

- All clothes are already washed and clean
- Remove price tag and safety pin, tag can be thrown away and collect pins
- Remove safety pins from hanger, collect all the pins in a baggie and return them with the clothes
- Check for stains, holes, missing buttons, and broken zippers. Set aside any unusable items and return them in a separate bag from the usable items.
- Use safety pins to keep "sets of clothes" or accessories together- i.e. matching tops and pants
- Keep clothes on their hangers
- Re-bag all items ready to be hung up in the shop or folded ready for hanging
- On average it takes 30 minutes to process one bag

**How:** Watch a quick instructional video here: [www.smac-pta.org/volunteer](http://www.smac-pta.org/volunteer)
