

# *I Can Change the World By*

By: *William E. Swan*

I can change the world by

Opening the door

Or just saying hi

One action will make a difference

Any action

Big or small

Will prove significance

We can all change the world

One action small or big

Will always prove important

Like doing a small jig

We can change the world by being thankful

Or when we feel angry

We can be tranquil

We can change the world

We can change the

UNIVERSE
